The team shown in yellow is on Bar Duty - Please ensure all teams have left their pitches tidy, empty the bins at the front doors (preferably before kick offs too), lock the net cupboard, and collect glasses and litter in the bar. **Each home team on pitches 1-3 please ensure all goals are locked together and nets are lifted.**

Please note that the Defibrillator is located in the corridor by the showers and the key for ambulance access to the field is by the door behind the bar.
